on site throughout the event.

10,000 – 20,000

You should have one fixed First Aid site with certified/licensed personnel who will remain on site throughout the event and a Basic Life Support Ambulance (licensed in the District of Columbia) who will transport patients to an appropriate medical facility.

20,000 – 30,000

You should have one fixed First Aid site with certified/licensed personnel who will remain on site throughout the event, a licensed Basic Life Support Ambulance and a Licensed Advanced Life Support Unit (Department of Fire and EMS has the only certificate of need to provide on-scene paramedic services in the District of Columbia).

30,000 – 50,000

You should have two fixed First Aid sites with certified/licensed personnel who will remain on site throughout the event, two Basic Life Support Units and one Advanced Life Support Unit (both licensed in the District of Columbia).

50,000 – 60,000

You should have two fixed First Aid sites with certified/licensed personnel who will remain on site throughout the event, two Basic Life Support Units and two Advanced Life Support Units (both licensed in the District of Columbia).

Events exceeding 60,000 participants are required to also have emergency medical services personnel from the Department of Fire and EMS as well as the Department of Health on site for the appropriate provision of first aid and/or emergency medical services.

To ensure requirements for the provision of first aid and/or emergency medical services are met, please contact:

Department of Fire and Emergency Medical Services
Emergency Medical Services-Special Events Coordinator
(202) 673-3310

7) **Comfort Facilities:**

If attendance is expected to exceed the capacity of nearby NPS public comfort facilities, or if none exist in or near the requested park area, the Permittee must provide portable, temporary toilets with sufficient capacity to accommodate anticipated attendance. The general guideline is a minimum of one (1) portable toilet per three hundred (300) people, of which at least twenty percent (20%) must be handicapped accessible. If portable toilets are determined necessary, a copy of the Permittees contract for their provision must be submitted to the Superintendent at least fourteen (14) days in advance of the opening day of the event.

8) **Use of Generators:**

The Permittee may provide a generator and/or battery or solar operated equipment for electrical power. No storage of fuels is allowed on National Park Service property. At a minimum, 3/4"
